Portfolio Manager 2017 Changes
Changes to the Portfolio Manager web services will go into effect on February 13, 2017. Learn about these changes at a December 13, 2016 live webinar. Improvements include updates to water meter types and water use metrics, as well as sharing properties in bulk. Check here on December 12 when the beta test version of the 8.0 update is released.

Green Ribbon Schools
It’s time to nominate the school or school district in Washington State who is “doing great work” for a Green Ribbon award. The Washington State Office of Superintendent of Public Instruction selects finalists who are then forwarded to the U.S. Department of Education for possible national award selection. Applications are due by January 9, 2017.

Do you have newsletters, websites and links to share? Do you have RCM questions?
RCM News is always looking for interesting information, tips and resources to share with other resource conservation managers. Our goal is to increase your success by sharing what you and your colleagues are doing – with energy efficiency measures, problem-solving, communication, data tracking, presentations, and more. In addition, WSU Energy Program can help find solutions to your RCM program’s technical and programmatic questions. Email Karen to share and ask!

Washington RCM Support
The Washington State University Energy Program provides RCM support. Check out the “RCMx” website: http://www.energy.wsu.edu/PublicFacilitiesSupport/ResourceConservation/RCMx.aspx. We appreciate any feedback on this site and would also appreciate items to add to our resources, such as tools, examples of policies and job descriptions.
