

HOME ENERGY RATER LIST WASHINGTON STATE

All individuals listed here meet the minimum requirements of a rater as defined by the Residential Energy Services Network (RESNET) Mortgage Industry National Home Rating Standards, and operate under the rating providership of the Washington State University Extension Energy Program (WSUEP).

This list is offered without preference regarding any rater listed. Raters may offer service outside of the purview of WSUEP's providership. For details on services, please contact the individual rater.

Raters with an asterisks * next to their names have met the requirements to certify homes to the Federal Tax Credits for new homes.
