

School Indoor Air Quality

Excellent sources of information

The U.S. Environmental Protection Agency www.epa.gov

This web site contains a wealth of great information for schools and homes. Look for links to:

- Tools For Schools Action Kit
- Asthma in schools
- Mold
- Pesticides
- Lead
- I-BEAM
- Building Air Quality Manual

The Washington State University Extension Energy Program:

<http://www.energy.wsu.edu/projects/building/iaq.cfm>

- **Indoor Air Quality in NW Schools** – subscribe to receive this free quarterly electronic newsletter via e-mail.

- **H.E.L.P. for Kids program** – a wonderful set of indoor air quality materials for schools, homes and daycares. Includes background information, checklists and tips.

Washington State Department of Health, Division of Environmental Health,
Office of Environmental Health and Safety
