Tax Incentives Assistance Project (TIAP) <http://www.energytaxincentives.org/>

TIAP is sponsored by a coalition of public interest nonprofit groups, government agencies, and other organizations interested in energy efficiency. It is designed to give consumers and businesses information they need to make use of the federal income tax incentives for energy efficient products and technologies passed by Congress as part of the EAct of 2005.

Commercial Building Tax Deduction Coalition (CBTD) <http://www.efficientbuildings.org/>

Organized by NEMA, the Commercial Building Tax Deduction Coalition is working to ensure the provisions of EAct 2005 related to commercial buildings are implemented smoothly and to promote awareness and information about its benefits, and energy efficiency improvements in commercial buildings. See "About the Provisions" section for a commercial buildings FAQ and the "Related Rules and Links" for IRS/Treasury guidance.
